Appealing

People are like stained-glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there's a light from within.

HARMONIZING

*Real beauty is the most convincing. That's what makes it so great.
Beauty is the first present nature gives us and the first it takes away.*

OUTSTANDING

There is no true beauty, as it varies, something which
no one would admit dare to define.
